Industrial trading, engineering & power
solutions

Welcome

YOUR INDUSTRIAL SUPPLY PARTNER IN DUBAI

Bait Al Hareer Textile Trading Co. L.L.C is a Dubai-based industrial trading and engineering company delivering mechanical, electrical, and instrumentation equipment, genuine spare parts, and generator rental services to Oil & Gas, Power, Marine, Cement, Fertilizer, and Petrochemical sectors across the GCC and worldwide.

Headquartered in Dubai, UAE, we combine international procurement expertise with local warehouse stock and on-site engineering support. Our team sources genuine OEM components from leading global manufacturers, manages end-to-end logistics, and provides installation, maintenance, and power solutions — making us a dependable one-stop partner for industrial operations across the Middle East and beyond.

About Company

PREMIER INDUSTRIAL TRADING PARTNER

Bait Al Hareer Textile Trading Co. L.L.C is a Dubai-based industrial trading and engineering company supplying mechanical, electrical, and instrumentation equipment, genuine OEM spare parts, and generator rental services to the world's most demanding sectors — with rapid dispatch from our UAE base and a trusted global supplier network.

Generator Rental

10 kVA to 1 MW power on demand

What We Deliver

- Mechanical, electrical & instrumentation supply
- Genuine spare parts with full traceability
- Generator rental & industrial power solutions
- On-site engineering & maintenance support

Markets We Serve

- Oil & Gas, Power & Petrochemical
- Marine, Cement & Fertilizer
- GCC, Middle East, Africa & South Asia
- 24/7 technical support from Dubai HQ

Who We Are

ENGINEERING · TRADING · POWER SOLUTIONS

Professional engineering and trading company providing spare parts, maintenance, and power solutions. We specialize in generators and industrial equipment with installation, maintenance, and OEM supply of all major brands — headquartered in Dubai with global reach.

1 Industrial Division

- Engineering & on-site maintenance
- Mechanical & electrical supply
- Piping, drilling & filtration
- Quality & safety compliance
- Skilled manpower
- Project execution

2 Spares Division

- Genuine & OEM parts worldwide
- Large UAE warehouse stock
- Full traceability & CoC
- Pre-shipment inspection
- Sea & air freight
- Competitive pricing

3 Power Solutions

- Generator rental 10 kVA–1 MW
- Diesel & gas generator sets
- Design & installation
- Commissioning & maintenance
- Prime & standby power
- 24/7 technical support

4 What We Supply

- Valves, pumps & engines
- Pipes, fittings & flanges
- Compressors & motors
- Electrical & instrumentation
- Drilling & safety gear
- Filtration systems

5 Our Strengths

- 48-hour quote response
- Senior engineering team
- Dedicated account managers
- Multi-currency transactions
- Customs clearance
- Long-term contracts

6 Global Reach

- Dubai HQ — GCC hub
- Middle East & Africa
- South Asia network
- International offices
- Door-to-door delivery
- Emergency dispatch

Headquartered in **Dubai, UAE** — serving GCC, Middle East, Africa & South Asia.

Operations & Services

ENGINEERING SUPPORT & EQUIPMENT CARE

Bait Al Hareer provides comprehensive engineering solutions and technical services tailored to industrial and commercial requirements. We ensure efficient project execution through skilled manpower, advanced diagnostic tools, and genuine OEM spare parts — keeping critical equipment at peak performance.

1 Engineering Services

- Inspection & maintenance
- Troubleshooting & repair
- Installation & commissioning
- Mechanical & power systems
- Complex equipment handling
- On-site expert teams

2 Tools & Software

- Advanced diagnostic tools
- Engineering software support
- System optimization
- Vibration & thermal analysis
- Predictive maintenance
- Fault identification

3 OEM Spare Parts

- Genuine & OEM ready stock
- Engines & generators
- Compressors & pumps
- Pre-shipment inspection
- Batch traceability
- Emergency dispatch

4 Engine Services

- Complete overhauling
- Compressor maintenance
- Generator servicing
- Performance restoration
- Workshop & field repair
- Lifecycle programs

5 Keep Your Engine Alive

- Caterpillar · Waukesha · Perkins
- Cummins · Cameron · GE
- Ariel · Garrett · Woodward
- ABB · Denso · Ajax
- Genuine OEM quality
- Full certification

6 Support Level

- 24/7 engineer availability
- Rapid response teams
- Dedicated account managers
- Technical data sheets
- After-sales commitment
- Long-term partnerships

Keep Your Engine Alive — genuine OEM parts from the world's leading industrial brands.

Line Card Overview

COMPREHENSIVE INDUSTRIAL PRODUCT RANGE

Our extensive portfolio covers every critical category for industrial operations — from rotating equipment and electrical systems to instrumentation, piping, drilling, and filtration components.

1 Mechanical

- Engine & spares
- Compressor & spares
- Heat exchanger spares
- Boiler spares
- Pumps — all kinds
- Gearboxes & spares

2 Electrical

- Wire & cable
- Cable tray & fittings
- Connectors & fuses
- Transformers
- Switchgear & breakers
- Terminal enclosures

3 Instrument

- Pressure gauges & TX
- Level gauges & switches
- Flow transmitters
- Calibration instruments
- Gas detectors
- Thermocouple & RTD

4 Piping

- Pipe, fittings & valves
- Flanges & gaskets
- Steam traps & strainers
- Expansion joints
- High pressure fittings
- Flexible hoses

5 Drilling

- Top drives & draw works
- Mud pumps & swivels
- Rotary table parts
- Well testing equipment
- Blocks & hooks
- Band saws & lathes

6 Filtration

- Automatic filters
- High pressure filters
- Engine & hydraulic
- HVAC & air filters
- Oily water separators
- Auto back-flushing

API

ASME

ANSI

DIN

ISO

ATEX

Standards: API · ASME · ANSI · DIN · ISO · ATEX — full MTC, PMI & traceability on request.

Valves & Pumps

FLOW CONTROL & PUMPING SOLUTIONS

Complete range of industrial valves and pumps for oil & gas, power, water, chemical, and process industries — all materials, pressure ratings, and international standards.

1 Ball & Gate Valves

- Ball, globe & gate
- Butterfly & needle
- Plug, piston & orbit
- Diaphragm & pinch
- Trunnion mounted
- Floating ball design

2 Safety & Check

- Safety & relief valve
- Check & NRV
- Breather & vacuum
- Pressure seal valve
- ARV / ARC valve
- Pilot operated

3 Centrifugal Pumps

- End suction & multistage
- Vertical & submersible
- Marine & chemical
- API 610 process
- Slurry & wastewater
- Fire fighting

4 Positive Displacement

- Reciprocating & piston
- Plunger & diaphragm
- Gear, lobe & vane
- Vacuum & jet pump
- Peristaltic & screw
- Magnetic drive

5 Actuators & Trim

- Pneumatic actuator
- Electric actuator
- Valve positioners
- Solenoid valves
- Limit switches
- Trim & internals

6 Materials

- Carbon steel & alloy
- Stainless 304/316
- Duplex & super duplex
- Hastelloy & Inconel
- PTFE lined
- Manual to electric

Materials: **CS** · **SS** · **Alloy** · **Duplex** — ANSI, DIN, BS, JIS standards available.

Engines & Gearboxes

POWER GENERATION COMPONENTS

Main propulsion to precision gearboxes — OEM and aftermarket components for diesel, gas, and electric drive systems across marine, power, and industrial applications.

1 Diesel Engines

- Main & auxiliary engine
- High & medium speed
- In-line & V-type
- Marine & industrial
- Emergency standby
- Single & multi cylinder

2 Gas & Electric

- Combustion & petrol
- Gas & dual fuel
- Electric drive systems
- Radial & compact
- Bi-fuel conversion
- Hybrid systems

3 Engine Parts

- Pistons, liners & rings
- Bearings & bushings
- Gaskets & seals
- Fuel injection systems
- Turbochargers
- Cooling & lube systems

4 Gearboxes

- Bevel, spiral & hypoid
- Helical & spur
- Worm & planetary
- Parallel & coaxial
- Turbine gearbox
- H, B, S & NMRV series

5 Services

- Complete overhauling
- Performance testing
- Alignment & balancing
- Spare parts supply
- Field service teams
- Lifecycle management

6 Brands

- Caterpillar · Waukesha
- Perkins · Cummins
- DEUTZ · Wärtsilä
- Yanmar · MAN
- MTU · Volvo Penta
- All OEM equivalents

Brands: Caterpillar · Waukesha · Perkins · Cummins · DEUTZ · Wärtsilä · Yanmar

Complete piping solutions from standard line pipe to high-pressure fittings — sourced to ASME, ANSI, DIN, and API specifications for demanding industrial projects.

1 Carbon & Alloy Pipe

- SMLS, ERW & HFW
- SAW, LSAW & DSAW
- API 5L line pipe
- High temp alloy
- Low temp carbon steel
- Chrome moly pipe

2 Stainless & Specialty

- SS 304/316/L
- Duplex & super duplex
- DI, PVC & CPVC
- Copper & titanium
- Cast iron & G.I
- Concrete & HDPE

3 Buttweld Fittings

- Elbow, tee & reducer
- Cap, cross & stub end
- Coupling & union
- Olet & adapter
- 180° & 90° bends
- Concentric & eccentric

4 Forged Fittings

- Socket weld fittings
- Threaded NPT fittings
- Swage & adapter
- Bushing & plug
- Branch connections
- High pressure rated

5 Standards

- ASME B16.9
- ANSI B16.11
- DIN & BS standards
- API 5L certified
- Full MTC available
- PMI on request

6 Applications

- Oil & gas pipelines
- Refinery process
- Power plant piping
- Chemical plants
- Marine systems
- Construction

Full documentation: MTC · PMI · Hydro test · Radiography reports available.

Flanges & Gaskets

SEALING & CONNECTION SOLUTIONS

Industrial flanges and gaskets in all materials and pressure ratings — weld neck, slip on, blind, RTJ, spiral wound, and custom sizes with full material certification.

1 Flange Types

- Weld neck & slip on
- Blind & threaded
- Lap joint & orifice
- Spectacle blind
- Reducing & plate
- API 6A flanges

2 Standards

- ANSI B16.5
- DIN & EN standards
- BS & JIS flanges
- API 6A & 6BX
- Custom sizes
- Orifice flanges

3 Gaskets

- Spiral wound & RTJ
- Rubber & PTFE
- Metallic & semi-metallic
- Non-asbestos flat
- Kammprofile & envelope
- Graphite gaskets

4 Materials

- Carbon steel
- Stainless 304/316
- Duplex & alloy
- Inconel & Hastelloy
- Teflon lined
- Cork & rubber

5 Quality

- Full material certs
- Hydro test reports
- PMI testing
- Dimensional inspection
- Batch traceability
- CoC on delivery

6 Applications

- Pipeline connections
- Pressure vessels
- Heat exchangers
- Valve connections
- Offshore platforms
- Refinery units

Certified quality — every flange and gasket meets international standards.

Compressors & Motors

DRIVE, COMPRESSION & POWER

Industrial compressors, electric motors, precision tubes, and power transmission couplings for demanding process, HVAC, and rotating equipment applications.

1 Compressors

- Reciprocating & centrifugal
- Axial & screw type
- Diaphragm & rotary
- Oil-free & lubricated
- Process & instrument air
- Single & double acting

2 Electric Motors

- Standard & NEMA frame
- Explosion proof & Exe
- Brake & inverter duty
- DC & variable speed
- Marine & offshore rated
- Single phase motors

3 Motor Services

- Rewinding & overhauling
- Bearing replacement
- Alignment & balancing
- Performance testing
- Emergency repair
- Spare parts supply

4 Tubes & Couplings

- Heat exchanger tubes
- Hydraulic & HPLC
- Instrumentation tubing
- Flexible & rigid couplings
- Gear & disc type
- Torque limiters

5 Brands

- ABB · Siemens · WEG
- Cameron · Ariel
- Atlas Copco
- Ingersoll Rand
- GE · Howden
- All OEM parts

6 Applications

- Process plants
- HVAC systems
- Oil & gas facilities
- Power generation
- Manufacturing
- Marine vessels

Brands: ABB · Siemens · Cameron · Ariel · Atlas Copco · Ingersoll Rand

Electrical & Instrumentation

MEASUREMENT, CONTROL & POWER

Full-spectrum electrical distribution and instrumentation for industrial automation, process control, safety monitoring, and calibration applications.

1 Switchgear & Cable

- LV & MV switchgear
- MCCB, MCB & ACB
- Cable tray & conduit
- Power & control cable
- Flexible & armoured
- Termination kits

2 Calibration

- Torque wrenches
- Vernier & micrometers
- Dial & bore gauges
- Testing instruments
- Gas monitors
- Flow & temp meters

3 Process Instruments

- Pressure & level gauges
- Flow & temperature TX
- Analytical instruments
- Recorders & controllers
- Valve positioners
- Orifice plates

4 Sensors

- Proximity & inductive
- Ultrasonic & capacitive
- Pressure & temperature
- Level & flow sensors
- Light curtains
- Gas & flame detection

5 Signal Processing

- Transmitters & amplifiers
- Isolators & converters
- HART & fieldbus
- Safety instrumented
- Relay couplers
- Limit monitors

6 Brands

- Emerson · Yokogawa
- Endress+Hauser · ABB
- Honeywell · Fluke
- Schneider · Siemens
- Rosemount · Vega
- WIKA · Parker

Brands: Emerson · Yokogawa · ABB · Honeywell · Schneider · Endress+Hauser

Drilling, Safety & Structural

SPECIALIZED EQUIPMENT & FASTENERS

Drilling equipment, filtration systems, structural steel, fasteners, insulation, and safety products for oilfield and heavy industrial projects worldwide.

1 Drilling Equipment

- Top drives & draw works
- Mud pumps & swivels
- Rotary table & blocks
- Well testing equipment
- Hooks & elevators
- Drilling belts

2 Filtration

- Automatic & manual
- High & low pressure
- Engine & hydraulic
- HVAC & air filters
- Oily water separators
- Back-flushing systems

3 Fasteners

- Hex & anchor bolts
- Studs, nuts & washers
- U-bolts & threaded rod
- PTFE & SS fasteners
- Tension control bolts
- Nickel alloy bolts

4 Structural

- Flat, round & T-bar
- Steel gratings & platforms
- Reinforcement bars
- Shale shaker screens
- Fencing & spikes
- Wire mesh products

5 Power Transmission

- Belts, chains & pulleys
- Bearings & seals
- Sprockets & bushes
- Lubrication systems
- Chain drives
- Shaft couplings

6 Safety & PPE

- Insulation materials
- Safety valves & PPE
- Fire & gas detection
- Fall protection
- Hearing & eye protection
- Confined space equipment

Why Choose Us

THE BAIT AL HAREER ADVANTAGE

We don't just supply parts — we deliver reliability, deep expertise, and long-term partnerships that keep your operations running at peak performance, every single day.

1 Quality Assured

- 100% genuine & OEM parts
- Pre-shipment inspection
- Full CoC & traceability
- ISO-certified suppliers
- Material test certificates
- Batch documentation

2 Fast Delivery

- Large UAE warehouse stock
- Global logistics network
- Same-day dispatch option
- Customs clearance support
- Real-time tracking
- Emergency parts service

3 Expert Support

- Senior engineering team
- 24/7 on-site services
- Dedicated account managers
- Technical consultation
- After-sales commitment
- Training & documentation

4 Global Reach

- Dubai HQ — GCC hub
- International offices
- Multi-sector coverage
- Competitive pricing
- Multi-currency support
- Long-term contracts

5 Our Commitment

- Transparent communication
- Honest pricing on every quote
- Dependable delivery always
- Extension of your team
- Proactive support
- Trusted partnership

6 Track Record

- 15+ years experience
- 500+ product lines
- 50+ global brands
- 48-hour quote response
- GCC regional leader
- Proven reliability

Thank you for trusting **Bait Al Hareer** — we look forward to supporting your operations.

Our Process

FOUR STEPS FROM INQUIRY TO DELIVERY

From your first inquiry to final delivery — our streamlined process ensures transparency, quality control, and on-time fulfillment for every order, large or small.

1 1 • Submit Inquiry

- Share part numbers & specs
- Quantity & destination
- 24hr acknowledgement
- Dedicated contact assigned
- Technical review
- Requirement confirmation

2 2 • Quote & Sample

- Detailed pricing & lead times
- Brand certifications
- Shipping options
- No hidden costs
- Alternative suggestions
- Sample on request

3 3 • Order & QC

- Authorized procurement
- Quality inspection
- Full documentation
- Progress updates
- Pre-shipment photos
- Packing verification

4 4 • Ship & Deliver

- End-to-end logistics
- Customs clearance
- Live shipment tracking
- On-time delivery
- Delivery confirmation
- After-sales follow-up

5 What You Receive

- Commercial invoice & packing list
- Material test certificates
- Certificate of conformity
- Manufacturer warranty
- Inspection reports
- Batch traceability

6 Payment & Terms

- Letter of credit supported
- Flexible payment terms
- Volume discounts
- Annual agreements
- Multi-currency invoicing
- Net 30/60 accounts

Response Guarantee: All inquiries answered within 48 hours with pricing, availability & alternatives.
